if an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick up or if notification occurs during the hire.

Rental Extension

If the customer wishes to extend the rental whilst on hire, they must first obtain authorisation from Apollo Reservations who will advise of the additional costs. Rental extension is subject to fleet availability. At other times guests visit these areas at their own risk and are thus responsible for all recovery and other charges. During certain periods these areas are not habitable and could pose a danger to the driver and passengers.

Mexico, Alaska, Yukon and Northwest Territories & Newfoundland

Travel to Mexico, Alaska, Yukon and Northwest Territories & Newfoundland is strictly prohibited.

Repairs

Although we run late model vehicles, it may happen that small repairs are required. Repairs up to \$100 may be affected without authorisation and will be reimbursed unless the damage is caused by the renter. For amounts over \$100, Apollo will need to be informed in advance. All vehicles are covered for 24hr emergency roadside assistance.

Infringements and Administration Fees

Apollo reserves the right to charge the renter for any speeding, toll way or parking fines not reported on return of the vehicle. In addition to these costs, Apollo reserves the right to charge for associated administration costs for processing the fines (irrespective of excess). An administration fee of \$75 per fine will be applicable.

Change Of Vehicle

Should the vehicle booked be unavailable through unforeseen circumstances, we reserve the right to substitute an alternative vehicle without prior notification and at no extra cost. This shall not constitute a breach of contract and does not entitle the renter to a refund.

Vehicle Category

Vehicles cannot be requested by make or model, only by vehicle category.

Powered Site Bookings

Powered Sites can be difficult to manage during high season. We recommend your clients make a reservation for at least a 31ft vehicle, irrespective as to the size of the motorhome reserved, to avoid problems due to possible upgrades.
